## REACHING THE GOALS TO BECOME A SGAME Pro AMBASSADOR

The first 100 members of the Sgame Pro community reaching the goals below will become our official Ambassadors.

### **Goal 1: Reach 2.500 impressions/views**

Rules:

I - Your pieces of content need to be related to Sgame Pro and/or SGM (e.g. explanation of what Sgame Pro is; why do you like the Sgame Pro project; talk about the Sgame Pro Closed Beta app; mention SGM and explain what it is; incentivize your viewers to buy SGM on [nexex.io](http://nexex.io));

II - You can publish content in your own social media channels or approach other online publications and forums, such as reddit, blogs, online magazines, etc.;

- If published in channels where the number of impressions/views are displayed, you need to show us the proof you reached such numbers;
- If published in channels where the number of impressions/views are not displayed, use [www.similarweb.com](http://www.similarweb.com) to check that the online publication is within the global rank 700.000.

III - Your top 10 pieces of content need to reach a combined number of 2.500 impressions and views.

Once you have reached it, please list them in the following form:

II) Only SGM purchases of users registered on [nexex.io](http://nexex.io) through your referral URL count towards the goal;

III) Users acquired through your referral URL must have a combined purchase of 5.000 EUR on SGM.

## YOUR REWARDS:

I - Earn 10% (on SGM) of each purchase made by users acquired through your referral link;

II - Become Sgame Pro's official Ambassador and take advantage of all the benefits.

## AFTER BECOMING AMBASSADOR

Given that you are one of the first 100 people reaching the two goals above, you become automatically a Sgame Pro Ambassador!

Being a Sgame Pro Ambassador brings you all the benefits listed below. However, in order to maintain your status as an Ambassador, you need to meet the following requirement:

I - Keep 20 active users in the Sgame Pro official app.

Once our official app is released, we will check every 3 months if at least 20 users acquired via your referral URL are still active. If that is not the case you will lose your spot and another Ambassador candidate who has reached the goals will take your place.
